## **Newburyport Bank Announces Appointment of Three New Board Members**

**Newburyport, MA (April 15, 2026)** — Newburyport Bank has announced the appointment of three accomplished leaders to its Board of Directors: Wayne Capolupo, Marianne Hatheway, and Frank G. Cousins, Jr. Each brings deep experience in governance, financial services, infrastructure, and community leadership that will support the Bank’s continued growth and mission.

“With Wayne, Marianne, and Frank to the Board, we are adding three thoughtful leaders who understand both strategy and community,” said the Chair of the Board Lloyd L. Hamm, Jr. “Their collective expertise will further strengthen our ability to steward the Bank and deliver sustainable value over the long term.”

Together, Capolupo, Hatheway, and Cousins bring complementary skills and experience spanning infrastructure development, federal banking regulation, enterprise risk management, and public-sector leadership. This will enhance the Board’s ability to provide strong governance, guide strategic growth, and support the Bank’s commitment to safe, sound, and community-focused banking.

“Their insight will help us build on our strategic priorities while reinforcing the relationship-driven, community-focused approach at the center of Newburyport Bank,” added President and Chief Operating Officer Jim McCarthy. “We look forward to their contributions as we continue to grow alongside our customers and communities.”

The appointment also aligns with the strategic priorities of River Run, the joint mutual holding company for Pentucket Bank and affiliated banks Newburyport Bank, and Rollstone Bank & Trust, and further strengthens support across all River Run entities.

### **Wayne Capolupo**

Wayne Capolupo is Chairman and CEO of SPS New England, Inc., a family-owned construction company based in Salisbury, Massachusetts. Since co-founding the company in 1984, he has overseen its growth and led major infrastructure projects across the region, including bridges, highways, transit, rail, and marine construction. Earlier in his career, he worked with Capolupo & Gundal, Inc., a specialty contractor serving nuclear power generating stations. Capolupo holds both a B.S. in Nuclear
